"Placing People In Positions of Destiny"

Program Brochure

Letter of Introduction

Greetings...

We would like to provide you with information on an exciting educational opportunity. An opportunity for anyone who would like to learn more about the Word of God, or, who senses the call of God on their lives, and does not know what to do next.

Over the past three (3) years, we have developed a course of instruction that continues to benefit participants over and over again.

Our educational component is called; The Ministry Development Training Center. Ministry Development Training Centers provide a course of study that brings great insight and understanding to anyone who desires to learn about their Spiritual Gifts and how to use them more effectively. The curriculum is based solely on the Word of God.

Students enjoy hands-on ministry opportunities and study in a very intimate setting. We are not a traditional Ministry School that gives students theological jargon that no one can understand.

We are a Ministry Development Training Center; training Ministers, Ministry Teams, Churches, Corporations and individuals. We have developed a learning environment that will enhance Christian Growth and provide a deeper awareness of the Presence of God in the life of each participant. We believe only the Holy Spirit can lead us into the truth of God's Word.

The Holy Spirit is at liberty during all our training sessions. Participants not only receive instruction, and experience inward and outward manifestations of God's presence.

Healing, deliverance and enlightenment are only a few of the tangible benefits that can be received by participating in this training.

We do not debate the Word of God nor argue the scriptures, we reason together and we teach. We wholeheartedly believe the Word of God is the truth that we must all live by, and we teach others to do the same.

Life is filled with many challenges and ministry is very hard work. We have found that the more we learn about ourselves and the gifts God has given to us to use for HIS Glory, the better our ability to help others will become.

Our Ministry Disciplines encompass the five (5) Governmental Offices within the Kingdom of God System, which are: The Office of The Apostle; The Office of The Prophet; The Office of The Teacher; The Office of The Evangelist; The Office of The Pastor; each of these Governmental Offices has the ability to function autonomously as well as, in cooperation with other Spiritual Gifts.

Our Certification Programs provide participants with clear understanding concerning the responsibility associated with each position. Presently, our certification programs include Church Administration, Church Armor Bearers, Church Scribes, Church Structure, Church Etiquette and Decorum, Church Protocol, Leadership and/or Membership Development (In- House), Wealth Building, Worship Leader/Team Development.

We believe we have provided herein, information that will help you understand how you may fit into God's Governmental plan. It is only an overview designed to provide more clarity in your decision making process.

If you need any further information concerning these disciplines or have questions, please feel free to call us at **678-233-0307**.

God Bless You!

A Message To Leaders

Now more than ever, the Church of Jesus Christ, must become relevant to its society. We have more diseases in our society, more social ills, and much less skill on how to address these issues.

The Church of Jesus Christ does have the answer. Every person comes to this planet, with the skills to benefit the society they are born into. Many of the people with the answers that will help to address society's concerns, are sitting in our pews every Sunday all across America. Only the Church of Jesus Christ is granted permission to ignite the flames in all Born Again Believers!

The offices that are to do this are of course, the Apostolic Office, the Prophetic Office, the Evangelistic Office, the Pastoral Office and the Teaching Office. In the bible, these are the only offices given the responsibility of "perfecting the saints".

Thus, to be effective, Ministers must stand "positionally" in their God-ordained Office and mature God's people for service. This can only happen as we train God's people and release them into their positions of Destiny.

While Jesus was here on earth, He said to his disciples you will do "greater works" than I. Who could fathom such a thing? But Jesus said it just the same. As Leaders in the House of God, your Crowning Glory will be when you allow people to become better than you are. Jesus was saying to his disciples and to us today "I give you permission to surpass me". It isn't being haughty or prideful, it is the Will of God.

Establishing an environment in which God's people can develop in all areas is our duty. Ministry Development Training Centers help everyone fulfill their call and purpose, to the Glory of God, preparing His Church for His return.

"It is a poor pupil, who does not surpass his master." Leonardo da Vinci

Ministry Development Training Centers can provide training at every level to ministry teams, small groups, churches, corporations and individuals. All within a learning environment that promotes Spiritual Growth and provides a deeper awareness of the Will, Presence & Purpose of God.

We have defined Ministry as "the distribution of good will"; we have defined Development as "a process in which something passes by degrees to a more advanced or mature stage"; and we have defined Training as "to make proficient with specialized instruction and practice"

As a result, we believe Ministry Development & Training is...

THE DISTRIBUTION OF GOOD WILL, WHICH MOVES YOU BY DEGREES, TO A MORE ADVANCED OR MATURE STAGE, CAUSING YOU TO BECOME MORE PROFICIENT THRU SPECIALIZED INSTRUCTION AND PRACTICE.

The Center for Technical Study

A course of study which addresses the concerns of those called to Teach or Technically Train the Body of Christ. Provides a basis of support and fellowship with like-minded individuals and groups with similar challenges. The Center for Messianic Study

This fairly new design addresses the underdeveloped "Believer-Priest" position which is held by every believer in the Body of Christ. Everyone should know and understanding how God's Priestly design is woven into their spiritual nature. The Priesthood was not eliminated, but evolved through Christ. In fact, because He rose to the position of "Great High Priest", there is a need to actively pursue educating ourselves to the relevance of the Priesthood today.

The Center for Progressive Study

Provides a course of study which leads participants, step by step through a process of discovery. An ideal program for those who are not sure about their placement within the Body of Christ, but desire to know. Provides a basis of support and fellowship with like-minded individuals and groups with similar challenges.
